ONGOING WHS SUPPORT

Flexible WHS Support

From occasional advice to embedded WHS leadership, choose the level of support that fits your business.

Every business is different. Whether you need expert advice, regular support to keep your WHS system current, hands-on management of WHS activities, or strategic leadership support, Red Insight offers flexible options that can adapt as your needs grow.

1 Foundation

Expert advice when you need it.

Ideal For:
Businesses with sufficient internal WHS capability that occasionally need professional WHS support.

We help with:

- ✓ Phone and email advice when you need it
- ✓ Legislative guidance to keep you compliant
- ✓ Document reviews with practical feedback
- ✓ Compliance questions answered
- ✓ Practical recommendations you can implement
- ✓ Incident and risk guidance

2 Partner

Keep your WHS system current, compliant and improving.

Ideal For:
Businesses needing regular advice, system maintenance and accountability.

We help with:

- ✓ Regular meetings to keep WHS moving
- ✓ System and document updates to keep your WHS system current
- ✓ Risk assessment support for emerging risks
- ✓ Incident guidance and advice
- ✓ Action tracking and accountability
- ✓ Legislative updates
- ✓ Priority consultant access

3 Managed

We actively manage WHS alongside your team.

Ideal For:
Businesses without sufficient internal WHS capacity to consistently manage operational requirements.

We help with:

- ✓ Workplace inspections to identify improvement opportunities
- ✓ Regular site visits to proactively identify risks
- ✓ Internal audits
- ✓ Incident investigations
- ✓ Contractor reviews
- ✓ WHS meeting support
- ✓ Action management
- ✓ Performance reporting with practical recommendations
- ✓ Training coordination

4 Leadership

We become an extension of your leadership team.

Ideal For:
Complex, growing or multi-site organisations requiring strategic WHS leadership.

We help with:

- ✓ Executive WHS advice for informed decision-making
- ✓ Governance and assurance
- ✓ Leadership reporting
- ✓ Board reporting
- ✓ WHS strategy
- ✓ ISO management
- ✓ Major project support
- ✓ Tender and client assurance support
- ✓ Leadership coaching
- ✓ Continuous improvement planning
